Primary Products & Services

CAM Specialty Products is a processor of castable polyurethane Prepolymers. We manufacture custom parts and assemblies for various markets such as oil & gas, Industrial plastic distributors, recreational boat trailer manufactures, and paper mills.

Typical products would be:

Oil & Gas:

- Riser Clamps for Offshore Drilling
- Mud Pump Pistons
- Cementing mixer valve assemblies
- Pipeline cleaning spheres

Industrial Plastic Distributors / Manufacturers

- Stock Shapes – Sheets, rods & tubes

Recreational Boat Trailer Manufacturers

- Boat Trailer Rollers
- Trailer sliding wear strips

Machine Shop

- We have a full service facility that designs and manufactures our molds for urethane manufacturing plus they machine all the necessary metal inserts, clamps, fasteners etc that complement our urethane products so that we can furnish complete assemblies to our customers.
